SILICONE SPRAY 520ml

Packages: 520 ml

[EN] Silicone spray 520 ml

Silicone-based waterproof protective agent for metal, rubber and plastic surfaces. Durable transparent silicone film repels moisture, reduces friction, prevents squeaking, freezing and corrosion. Restores the elasticity of rubber and plastic parts and protects them from drying out and cracking. Does not contain mineral oils and fats.

[RU] Silicone spray 520 мл

Защитное водостойкое средство на основе кремнийорганических соединений для металлических, резиновых и пластиковых поверхностей. Стойкая прозрачная силиконовая пленка отталкивает влагу, снижает трение, предотвращает скрип, примерзание и коррозию. Восстанавливает эластичность резиновых и пластиковых деталей и защищает их от высыхания и растрескивания. Не содержит минеральные масла и жиры.

Precautions: Avoid getting silicone on the exposed areas. Wear protective gloves. In case of contact with eyes and mouth, rinse immediately with water and non-necessity consult a doctor. To remove the skin with soap. Dispose of waste silicone in the designated areas. Do not discharge into the channel still apply, silicone and water. Keep away from fire!
